

St Augustine's School

Code of Behaviour Sporting Teams and Supporters.

Play by the rules.

Never argue with an official. Accept all decisions with grace and manners.

Control your temper. Verbal abuse of officials, sledging and deliberately distracting or provoking an opponent is never acceptable behaviour.

Work hard for yourself and your team. Your team's performance will benefit and so will you.

Be a good sport. Applaud all good plays whether they are made by your team or the opposition.

Treat all participants in your sport as you like to be treated.

Co-operate with all referees and umpires, your coach, team-mates and opponents. Without these people, there would be no competition.

Participate for your own enjoyment and benefit.

Respect the rights, dignity and worth of all who participate.

Remember that your conduct and behaviour are the outward signs of St Augustine's School. **Everything that you do has an effect on others.** If you conduct yourself in a positive way, you are improving your world.

Parents and supporters are expected to uphold the intent and implementation of this code.

I accept this code of behaviour and will do my best to uphold and advance its principles.
